

Lincoln County Historical Society

Minutes for the September 8, 2010 Meeting:

Jann Thomsen called the meeting to order at 6:30PM.

In attendance: Jann Thomsen, Vernon Johnson, Claudia Reese, Wid and Kathy Tanaka

The minutes of the August Meeting and Treasurer's Report were accepted.

The group decided to have Jann send out two questions to the membership each month to find out what exhibits folks would like to see at our museum and to pursue family and community histories. Please give these questions some consideration and email your reponses back to Jann. Thank you.

We would like to find out how Union Pacific Railroad might help us with material for an exhibit.

Claudia mentioned that a historic train with a steam engine and restored cars would be passing through and stopping in Shoshone on Friday, September 10, 2010 about 11-11:30AM on a promotional trip to alert folks along the Union Pacific Line about rural railroad crossing safety.

The meeting was adjourned about 8PM.

Respectfully submitted,

Kathy Tanaka, Secretary
